

Fence Talk

University Heights Association, Inc.

DRIVEWAY ETIQUETTE

At the streets meeting this month there was a great deal of discussion about what we can all do to make our streets safer. Besides the perennial need to **SLOW DOWN** as you drive through the neighborhood, there is something simple we can all do. As much as possible, please park in your driveway. This will keep things much safer for several reasons

- ◆ With fewer cars in the street, there will be increased visibility and a lower likelihood of accidents.
- ◆ Fewer cars in the street will attract less crime.

Now, we know that many of the driveways in the Heights are shared driveways, so please be considerate. In order to facilitate use of the driveways please

- ◆ Be sure not to park in the driveway blocking your neighbors.
- ◆ Please leave adequate space in and around the driveway to accommodate daily use by all.

W.O.W.!

Congratulations to **Ida Stack** for being voted a **Woman Of Worth** by the Older Women's League of St. Louis. Although she has done many great things for the community, it is her volunteer work with both The Jewish Center For the Aged and Hadassah which has garnered her this award. **Congratulations Ida!**

OTHER GREAT RESIDENTS

Fence Talk is always looking for interesting information about the residents of University Heights. If you have newsworthy information about yourself or anyone else, please let us know so that we can put it in the next edition of **Fence Talk**.

THE UNIVERSITY HEIGHTS NEIGHBORHOOD BOARD ASSOC. DID NOT MEET IN THE MONTH OF DECEMBER DUE TO THE HOLIDAYS. THEY WILL RESUME REGULAR MEETINGS IN 1999 BEGINNING WITH A MEETING JAN. 12TH, 7:30PM AT 733 HARVARD; EVERYONE IS WELCOME TO ATTEND.

STREET NEWS

Trustees Ron Scott, Kathy Sorkin and intern Paula O'Keefe met with the City's Public Works Department to discuss the status of the streets to date on December 2nd with some encouraging news from them for the month of December. They will be working to complete the following:

1. Clean-up of tree lawns
2. Driveway aprons to be paved uniformly.
3. Branches and limbs to be cleared that were left from the street project.
4. A sealant to be used on seams on the streets at intersections.

These items should complete their work, but if you still have concerns, please be sure to call City Hall 862-6767 and one of your Trustees so that it might be remedied. We'll follow up in January with any final notes.
