

Fence Talk

University Heights Association, Inc.

ANNUAL PICNIC

Thanks to everyone who made this year's annual picnic a great one; what a great pots-n-pans parade through the park!! It is so nice that year after year we can fill Lewis Park with wonderful new and old neighbors. So, thanks again neighbors, for all your goodies and good spirits. If anyone left anything behind, please call Angela Fedderson-Heinze at 721-2032 to collect lost items. See you at next year's picnic!

FALL GARDENING

It's time to start thinking about putting your garden to bed for the winter. Good old U. City can help. As a resident of University City, you have free and open access to the mulch piles at Heman Park. Before winter arrives, cover your garden with a nice thick layer of organic leaf mulch. Not only will this keep your bulbs warm during the winter, but the nutrients in the mulch will leach into the soil and nourish your bulbs making bigger and better blooms which everyone will enjoy. see page 2 for information on U. Heights

Gardening Club Mulch Drive.

CITY COUNCIL MEETING

Please join your neighbors at the City Council meeting on November 2nd at 7:30 to express our concern regarding Municipal employees parking in our neighborhood. We will suggest a solution of having employees park in the free Municipal lots (i.e. behind Cicero's). Please call Paula O'Keefe, 862-6296 if you would like to sign the petition we will present the night of the meeting. We encourage all neighbors to attend!

CAR COURTESY

From time to time people park on the sidewalk, and they may not even know it. Please be careful not to block the sidewalk when you park in your driveway. Often times people try and squeeze into the driveway and cars hang into the sidewalk. This makes it very difficult for people in wheelchairs, walkers, or people with strollers to get past. For safety's sake, please keep the sidewalks clear.

FALL LEAF COLLECTION

If you missed the October leaf collection, or if the leaves were still on your trees, don't panic, there are still 2 more in November. During the weeks of November 3 and November 30 you can rake your leaves into the curb and University City will pick them up and mulch them.

WHO DO YOU TALK TO?

Members of the Board, as well as the Trustees, want to know what we can do to serve you. But, do you know who to talk to about your concerns? The Board is responsible for neighborly niceties. We do the garage sale, the picnic, luminaria.... social sorts of things. It is the Trustees who are responsible for the roads, the tree lawns, the lights and all the major workings of the neighborhood. If you have questions about any of those things, please call them. They can only serve you if you tell them what you need. Although the Board members are always happy to lend an ear and a voice to your neighborhood concerns, it is the Trustees you need to talk to about official issues. We encourage you to do so. The Trustees are:

Ron Scott: 725-0893

Jay Kanzler: 863-3712

Kathy Sorkin: 725-2953

POST NOTES

Anyone who limits his vision to his memories of yesterday is already dead.

-Lily Langtry
English Actress

FAREWELL MR. CAIN

We are sorry to report the passing of Gloss Cain. Mr. Cain took great care of our neighborhood for many years and always had a smile for everyone. He had a stroke several weeks ago and passed away Sunday, October 11. He will be missed. Our thoughts and prayers are with his family.

MULCH DAY!

The University Heights Garden group will sponsor a fall mulch event on Saturday, November 14 from 9:00 to noon. Each interested party will help load, deliver and unload Heman Park leaf mold mulch for their truck team member and themselves. Sign up yourself and your truck for a morning of gratifying work and camaraderie. Truck teams TBA after all the numbers are tallied. Call Alaine Peaslee-Hinshaw at 721-8231.

p.s. anyone who has a truck or wants to go in on a U-Haul and pay \$6.00 a cubic yard to have a truck loaded at Ruth Park during the week, call Alaine.

GIVE THE GIFT OF ART

- * Make your own paper, and draw, print, stencil your own cards and stationary.
 - * Create Mexican Tin lanterns or ornaments.
 - * Make polychrome jewelry.
 - * Marble stationary or desk organizer sets.
 - * Brightly painted paper mâché keepsake boxes, mirror frames, mobiles.
 - * Paint glassware.
 - * Create art-glass paving stones.
 - * Put together stained glass frames or lanterns.
 - * Hand paint or print t-shirts.
- Only 7 weeks left until the holidays! Contact Alaine-Peaslee Hinshaw, Amherst Studio, 721-8231.

DOGGIE DOO-TIES

Maybe it's the weather, or all the chaos of the streets, but it seems to be time for a doggie reminder.  If you have a dog who you walk through the neighborhood, please clean up after it! That includes the tree lawn, even if it is in front of your house. We know it is a bummer, (hey, I have 2 dogs and a new baby, I know what a bummer it is to deal with poop all the time!) but that's part of the deal. Let's keep the neighborhood clean!

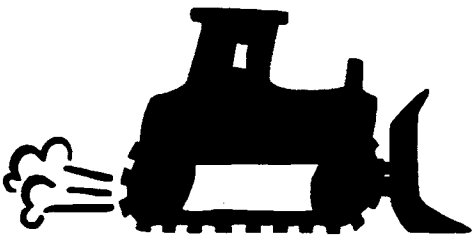

THE STREET PAGE

Everything we have to say about the streets.....

A (HOPEFULLY) FINAL WORD ON THE STREETS

As previously stated, all the work on the streets will be finished by the end of October. Judging from the smell of asphalt wafting through the neighborhood, everything is on track, barring bad weather. There have been grumblings about how the street work was actually done, i.e. curbwork, rotomilling . . .etc. If you are unhappy with the streets or would like further clarification on the project, please contact Frank Olendorf, City Manager, 862-6767 at City Hall. The City Engineers were responsible for getting inspectors and contractors for this project. We, as a neighborhood gave City Hall permission to do this project for us when the special tax district passed. As always, you can also contact a trustee or board member to voice your concerns as well.

STREET PARTY!

Sunday,
November 15

The street construction is done and we have shiny, smooth new streets. It seems a celebration is in order. So, let's celebrate! Everyone is invited! We will all meet at the empty lot on Sunday November 15 at 2 o'clock. We will enjoy snacks and apple cider and walk through the streets. Bring your strollers, roller blades, bikes, skate boards, dogs.... whatever. Just be there and revel on the smooth new streets.

STORMY DRAINS

It is fall and leaves are falling. With the passing of Mr. Cain and his position vacant, the Trustees would appreciate you doing what you can to keep the storm drains clean of leaves. If you are unable to pitch in, but notice the drains overflowing, please call a Trustee.

SLOW DOWN!

Look, we all know who you are, speeding through the neighborhood. It is getting ridiculous. But now it is even worse. Those smooth new streets are going to mean even more kids on roller-blades, bikes and skate boards. Their safety is important. We have a posted speed limit of 20m.p.h., please observe that limit. The idea is for us not to mow each other down, kill or mame each other. We know this is getting sarcastic, but don't know how to get across the point that it is not o.k. to fly through the neighborhood. So, if you notice someone flying through the streets, write down their license number and call Ron Scott. We're all keeping track. Slow down, for the safety of us all. Oh, and just so you know, the police now have the right to ticket speeders in the Heights.

Dear Neighbors,

The Recreation Division of the City of University City will again host "Celebrate Halloween" - Friday, October 30th at the Heman Park Community Center, 975 Pennsylvania from 5-7 p.m. Resident youth - Kindergarten through 4th grade can come (accompanied by a parent or guardian) and have "safe, supervised" fun creating Halloween arts & crafts, playing games and each child will receive a "treat bag" at the end of the evening. Last year, over 75 families participated and we are expecting over 100 this year..

From 8-11 p.m., resident youth, grades fifth through eighth will "dance the night away - in their wildest costumes". Last year, as with the subsequent dances we have hosted (Valentine and End of the School Year), the Halloween dance was well attended, totally free of any incident - and best of all " the students really have a good time".

We are asking our neighbors to support our efforts by donating at least one (1) bag of prepackaged candy or by providing any assistance you can. Please post the enclosed flyers and share this information and request with others in your neighborhood. If there is an upcoming newsletter, please include this information.

Please drop candy off at the following sites by Thursday, October 22nd:

University City Park Office 6801 Delmar, 3rd Fl.
Monday-Friday 8 a.m. - 5 p.m.

Heman Park Community Center 975 Pennsylvania
Monday-Friday 9 a.m. - 6 p.m.

Heman Park Recreation Facility 7210 Olive
Monday-Friday 6 a.m. - 10 p.m.
Saturday 10 a.m. - 10 p.m.
Sunday 12 p.m. - 6 p.m.

For more information, contact our Recreation Supervisor, Dwight Freeman at 721-5330 or myself at 863-3208, ext. 277.

Sincerely yours

Lynda Euell-Taylor, Recreation Division Director
